

# SPOOK

by panconnect•

**SPOOK** is a smart, luxurious and minimalistic panel. It has been designed for high-end customers who are expecting design and functionality. This panel is suitable for offices, homes, hotel rooms, meeting rooms, chill out zones or restaurants and bars. SPOOK can be delivered in 8 main socket standards. Main benefits are strong USB-A and USB-C (60W) charging as well as wireless charging Qi. Shape of this panel is rounded. SPOOK is considered as a design panel so from this perspective, you'll appreciate a wide range of colour combinations.

Three variants of panel SPOOK are produced - the difference is in a size and in connectivity options. The smallest variant is called **SPOOK XS** and it contains USB-A and USB-C charging plus wireless charging Qi.

**SPOOK S** has one socket and USB-C/A charging together with wireless Qi charging.

**SPOOK M** is produced in two variants - power and signal. Power variant contains 2 sockets, USB-C/A charging and wireless charging Qi. Signal variant offers one socket, one connector field and USB-C/A charging together with wireless charging Qi.

# SAFETY & RECYCLATION

PANCONNECT declares that panel SPOOK complies with Low voltage directive 2014/35/EC and EMC directive 2014/30/EU. Testing has been made according to EN 50491-5-1:2010 and EN 50491-5-2:2010 standards.

All products from PANCONNECT are intended for **upgrade** or **recyclation** in accordance with the company's policy.

Before the disposal of this panel comes up, please verify if this product can or cannot be upgraded or overhauled. If it's not possible, kindly arrange the disposal in accordance with valid EU directives. This product belongs to WASTE ELECTRICAL AND ELECTRONIC EQUIPMENT (WEEE) category so the disposal is possible only in accordance with this WEEE Directive 2012/19/EU. It cannot be part of the municipal waste.
